Forecast for Monday 27 Dec 2021

Weather: A few sleet or snow showers at first today with areas of low cloud. Then the rest of the day will be dry with low cloud mostly clearing during the morning to leave sunny spells this afternoon across Argyll and Lochaber, although some thin cloud and mist may linger across the Trossachs and Arran. Remaining dry into the evening.

Chance of cloud free mountain/hill tops above 800m: 60%

Visibility: Poor in low cloud down to 300 metres at first. This clearing across the north with summits clear of cloud, however area of mist and low cloud may linger across the south of the area into this afternoon.
